

Unseen Hand

The Faint

I'm looking for the unseen hand I'm waiting for the clouds to crack
I'm waiting for the hourglass sand
I'm looking for the drawf's collapse
I'm looking for the unseen hand I'm waiting for the unborn future
I'm looking for the truth to land
I'm waiting for the alien signal
I'm looking for the unseen hand I'm looking for the unseen hand I'm waiting for the poles to flip
I'm looking for the stars to bend
I'm waiting for the desert's quench
I'm looking for the unseen hand I'm waiting for the unborn future
I'm looking for the truth to land
I'm waiting for the alien signal
I'm looking for the unseen hand
I'm looking for the unseen hand
