

# Zone Zero (Album Version)

## Vision of Disorder

Litigation got me thinking  
In the window all these letters  
This will be your own catastrophe  
As you wait zone zero  
I don't care what you think  
I don't care what you say  
I don't care about them  
I don't care any  
I don't care what you think  
I don't care what you say  
I don't care about them  
I don't care anything  
No hope - for alliance  
No hope - for sadness  
No chance - for forgiveness  
Nothing - but your misery  
Nothing - you can do  
As it - melts and grinds you  
Inside - pain you spent  
In the - misery  
Sometimes it will tell  
Where you've been and what I've seen  
What I've found as I lay  
In your ground by your side  
Execution  
Mass polution  
My solution  
Kill the humans  
Los Angeles  
Engrossed in flame  
I don't care what you think  
I don't care what you say  
I don't care about them  
I don't care any  
Lost in time in your mind  
Nothing's left they all died  
I don't care what you think  
I don't care what you say  
I don't care about them

I don't care anything  
Generation caught beneath  
All these guns  
Out of reach  
Where were all your profits during  
The atomic Shower of flesh  
Ashes  
Kiss it goodbye
