

What's The Matter With Kid's Today?

NOFX

There's something wrong with the kids in my neighborhood
They always listen to music
They disregard civil disobedience
They'd rather do what they're told
They don't drink, or fuck, or fight
They sit home, and read, expand their minds
There's something wrong with the kids in my cul de sac
They always goin to church
They dress well and they're
Speaking articulate
They show each other respect
They're never late, don't joke
or break rules
They eat right, study hard
They like school
There's something wrong with the kids in my neighborhood
