

Mirrors (feat. Fifth Harmony)

Boyce Avenue

[Boyce Avenue]

Aren't you something to admire, cause your shine is something like a mirror

And I cant help but notice, you reflect in this heart of mine

If you ever feel alone and the glare makes me hard to find

Just know that I'm always parallel out on the other side[Lauren Jauregui]

Cause with your hand in my hand and a pocket full of soul

I can tell you there's no place we couldn't go[Normani Hamilton]

Just put your hand on the glass, I'm here trying to pull you through

You just gotta be strong[Boyce Avenue with Fifth Harmony]

Cause I don't wanna lose you now

I'm looking right at the other half of me

The vacancy that sat in my heart

Is a space, but now you're home

Show me how to fight for now

And Ill tell you baby, it was easy

Coming back into you once I figured it out

You were right here all along

Its like you're my mirror

My mirror staring back at me

I couldn't get any bigger

With anyone else beside of me

And now its clear as this promise

That were making two reflections into one

Cause its like you're my mirror

My mirror staring back at me, staring back at me[Boyce Avenue]

Aren't you something, an original, cause it doesn't seem really as simple

And I cant help but stare cause I see truth somewhere in your eyes

I cant ever change without you, you reflect me, I love that about you

And if I could, I would look at us all the time[Ally Brooke]

Cause with your hand in my hand and a pocket full of soul

I can tell you there's no place we couldn't go[Dinah Jane Hansen]

Just put your hand on the glass, I'm here trying to pull you through

You just gotta be strong[Boyce Avenue with Fifth Harmony]

Cause I don't wanna lose you now

I'm looking right at the other half of me

The vacancy that sat in my heart

There's a space, but now your'e home

Show me how to fight for now

And Ill tell you baby, it was easy

Coming back into you once I figured it out
You were right here all along
Its like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now its clear as this promise
That were making two reflections into one
Cause its like you're my mirror
My mirror staring back at me, staring back at me[Camila Cabello]
Yesterday is history
Tomorrows a mystery, mystery
I can see you looking back at me
Keep your eyes on me[Fifth Harmony]
Yeah, keep your eyes on me[Boyce Avenue with Fifth Harmony]
Cause I don't wanna lose you now
I'm looking right at the other half of me
The vacancy that sat in my heart
There's a space, but now you're home
Show me how to fight for now
And Ill tell you baby, it was easy
Coming back into you once I figured it out
You were right here all along
Its like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now its clear as this promise
That were making two reflections into one
Cause its like you're my mirror
My mirror staring back at me, staring back at me.[Lauren Jauregui]
Show me how to fight for now.[Dinah Jane Hansen]
Cause I don't wanna lose you now.[Boyce Avenue with Fifth Harmony]
Its like you're my mirror.
