

# Rain Down On Me

Kane

I've been running through this town  
I've been combing every street  
I've been searching for the reason within reasons  
Been searching for the higher ground in me And I've been trying to surrender  
To trust in every word  
All my days of misery  
Someone could have taken them from me I've been searching for myself  
For oh so many times  
I've been searching for the answer within answers  
But no one seems to know what's on my mind Craving for her love  
Aching for her touch  
All my days of misery  
Someone could have taken them from me So tell me where you are  
Tell me how you feel  
Tell me what you need  
Just tell me how you feel And let it all just rain on me  
Let it all just rain on me  
Let it all just rain on me  
Rain down on me If only for a day  
Oh, if only for one night  
I could tell you this is everything  
That I have ever lived for But I'd be giving it all away  
So look into these eyes  
And tell me how you feel  
All my days of misery  
Someone could have taken them from me So tell me where you are  
Tell me how you feel  
Tell me what you need  
Just tell me how you feel And let it all just rain on me  
Let it all just rain on me  
Let it all just rain on me  
Rain down on me
