Wrong

Coldrain

It always seems to be the same
I'm hating everything again
Your words get underneath my skin
These thoughts are tormenting my head
By now
Thought I'd be stronger
By now
Thought I'd be wiser
By now
I thought I could be
Never again
You wanted me to be
In too deepIf I could breathe in
Free me from the inside
I could hold on
For one more day, alive
If I could breathe in
Free me from the inside
I could hold on
For one more day, alive
I'm out of time
And you're still wrongMy soul is there for the taking
You needed innocent blood
Lost between sleeping and waking
Nothing is ever enoughBy now
I thought I'd be better, thought I'd be farther
But now
I'm questioning my every move 'til I get there
You make me weakIf I could breathe in
Free me from the inside
I could hold on for one more day, alive
If I could breathe in
Free me from the inside
I could hold on for one more day, alive
I'm out of time and you're still wrong
(You're still wrong)
(You're still)(You're still wrong)
(You're still wrong)
(You're still)The sun will rise again

If I get through the night
The sun will rise again
If I get through the night
So I'll fight tonight
I'll fight tonight
GoIf I could breathe in
Free me from the inside
I could hold on for one more day, alive
If I could breathe in
Free me from the inside
I could hold on for one more day, alive
I'm out of time and you're still wrong
(And you're still wrong)
And you're still wrongI thought I'd be better, thought I'd be farther
But no!
You're wrong, you're wrong
You're still wrong
