I've Been

Ikon

Waiting
Waiting waiting waiting
I've been waiting so long
So long so long so long
So long so long so longThis is just a feeling
This is reality
This is just a feeling
Is this reality
Take me away
Take me away
Away awayReach out and hold me
Take me by the hand
Take me far away
Take me away
You are the only one
You are the only one
The only oneAcross a thousand oceans
I call your name
Across the black fields
I call in vain
I call in vainOnly only only
Only you
Only only only youFrom: In The Shadow Of The AngelWords by Michael Carrodus
