

Christmas Eve

Justin Bieber

It's a holiday
Spend it with you baby
I think that I am in love this Christmas, yeah
Just hang your stockings on the fireplace
You know that Santa's coming to town
I'm the one who wants to take you on a sleigh, right now So today is all about you babe
The mistletoe can pull us closer
It's what I'm waiting for
It sorta feels like it's Valentine's, Valentine's So in on top of your roof
Them sleigh bells is ringing
I'll be up all night with you
Don't care what they're saying
Japan to Peru, baby me and you
This Christmas Eve Be my date this Christmas Eve
Be my holiday, my dream
Lay your head on me
I got you babe, whoa oh Kissing underneath the tree
I don't need no presents girl
You're everything I need
Let me give you all of me
Together on this Christmas Eve You leave some cookies out,
I'ma eat 'em up
Nobody can see me but you
It's so magical When we use imagination,
We can fly to never never land
The North Pole, ain't that cold
If you wanna go
I got you baby Be my date this Christmas Eve
Be my holiday, my dream
Lay your head on me
I got you babe, whoa oh Kissing underneath the tree
I don't need no presents girl
You're everything I need
Let me give you all of me
Together on this Christmas Eve Be my, be my, Christmas Eve
Be my, be my, Christmas Christmas
Be my, be my, Christmas Eve
I promise I won't do you wrong Be my date this Christmas Eve
Be my holiday, my dream

(Lay your head on me)
I got you babe (whoa no no no whoa oh)Kissing underneath the tree
I don't need no presents girl
You're everything I need
Let me give you all of me
Together on this Christmas EveBe my, be my, Christmas Eve
Be my, be my, Christmas Eve
Be my, be my, Christmas Eve
