Love Soldier

Magic Wands

Climb in good time way about town
In line two sixty four
Music is medicine
For sister love soldier
In another life well I could
Happen your wife
I could Happen your wife
I could Happen your wifeLooking for those days of magic
Flowers in my head
High Am I L S T O?
I remember the day
But to fly in my other
I would like a cup of tea
I would like a cup of tea
I would like a cup of tea
Woooah will I remember the day
Will I remember the day
Will I remember the day
Will I remember the dayClimb in good time way about town
In line two sixty four
Music is medicine
For sister love soldier
In another life I could
Happen your wife
I could Happen your wife
I could Happen your wife
I could Happen your wife
I could Happen your wifeUp on the hill the battle's won
Back in the year 1964
His strongest stand up for his love
If we [?] in the dusty sun
It was a love (It was a love) love
Love soldier (It was a love)
It was a love (It was a love) love
Love soldier (It was a love)Out on the field the cattle hunt
Some [?] sees he came to run
He swore to fight for his love
If we'd live fighter at the end of the warIt was a love (It was a love) love
Love soldier (It was a love)

It was a love (It was a love) love
Love soldier (It was a love)
Love soldier Love soldier
