Goo Goo Dolls

Why are you so green
How can you say that to me?
When did you fall from grace?
You've got a dirty face and it's killin' me
Why don't you listen? Why don't you listen to me?
I'm drownin' but I never felt so free
Can you follow me? Will you justify me please?
You said you're wrong, said you're gone
I'll guess I'll wait another night
For what you're gonna say back to me

So why don't you listen? Why don't you listen to me?
I'm drownin' but I never felt so free
Why don't you listen? Why don't you listen?
And I try but never try too long
When you're gone
Why don't you listen? Why don't you listen to me?
I'm drownin' but I never felt so free
Why don't you listen? Why don't you listen?
Why don't you listen? Hear what you're missin'
