

Man of Two Minds (Remastered)

The Trews

Trying to build a bridge across my hearts divide

Caught between two opposite signs

I want it all and I can't decide

If I should leave you here or stay with you a while[Chorus]

I love you I love her

I need you I need her

I'm always gonna love you

I'm always gonna love her

I guess I should just let this thing die

Cause I am a man of two mindsStanding all alone by the river side

Running out of reasons I can justify

What kind of man am I?

Who can tell a lie and look you in the eye, yeah[Chorus]Not much to say

No alibi

For my selfish fear

And foolish pride[Chorus]
