Love Song

Sara Paxton

It's one thing to ask, why we break up
Have you ever, wondered why it is we fall in love?
Can you tell me, do you know what it is you're looking for?
Why do we need? Can you tell me why I care?
How is that we heed, that voice that says, 'I wan't you there'?[Chorus]
Thanks you've been fuel for thought,
Now I'm more lonely than before
But, thats okay,
I've just 'ready made another stupid love song;
And thanks you've been fuel for thought
Now I'm more lonely than before
But, that's okay,
I've just 'ready made another stupid love songIn a single moment, you might be perfect
And sit in a window of my life
But how much? How much more would I get to see?
What would I strive to hide? Now there will be no compromise
So take it in your stride, I'll believe you now with a smile[Chorus]
Thanks you've been fuel for thought,
Now I'm more lonely than before
But, thats okay,
I've just 'ready made another stupid love song;
And thanks you've been fuel for thought
Now I'm more lonely than before
But, that's okay,
I've just 'ready made another stupid love songLook into my eyes, ours was no love sacrifice
For it has helped us to grow
And I'm sorry I know just how far I have to go alone[Chorus]
Thanks you've been fuel for thought
Now I'm more lonely than before
But, that's okay,
I've just 'ready made another stupid love song;
And thanks you've been fuel for thought
Now I'm more lonely than before
But, that's okay,
I've just 'ready made another stupid love songI've just 'ready made another love song
Just 'ready made another love song
