Solid

Vanessa Littrell

I am solid, planted firmly on the ground
I am looking, up at the sky
I am breathless, anticipating
I am ready for my first flight

Take me up to the sky
Take me up into the air
Take me on an adventure running wild
Take me far away from here
Take me anywhere
â€˜Cause I am ready to taste this life

Iâ€™ve been careful and calculated
Always keeping my little ducks in a row
Well, I am tired of uncomplicated
I am ready to take a dive

Chorus

I am dreaming . . . I am soaring (repeat)

Take me up, take me up, take me anywhere

I am solid, planted firmly on the ground
I am looking, back at the sky
I am breathless, rejuvinated
Just returning, from my first flight

I was up in the sky
I was up in the air
I was on an adventure running wild
I was far away from here
I was everywhere
And I can say that Iâ€™ve tasted this life
