

Don't Turn Away (2018 Remaster)

Whitesnake

You say your dreams are burned to ashes
And your smiles have turned to tears
It seems to me you welcome sadness
As you surrender to your fears So what's a man like me supposed to do
When all I want is just to make love to you Don't turn away before the night is over
Don't turn away before the night is gone
Don't turn away the night may hold the answer
So don't turn away before the night
Before the night is gone You say your heart is lost forever
And you're always gonna give your love in vain
So you paint yourself a lonely portrait
And hide your love away again
You turn away from what you feel inside
You can't forget all your foolish pride Don't turn away before the night is over
Don't turn away before the night is gone
Don't turn away the night may hold the answer
So don't turn away before the night is gone So now I'm asking you this question
Am I gonna give you all my love in vain?
Do you wanna drown in your own sorrow?
Or are you gonna try to love again? Don't turn away from what you feel inside
You should try to forget about all your foolish pride Don't turn away before the night is over
Don't turn away before the night is gone
Don't turn away the night may hold the answer
So don't turn away before the night
Before the night, ooh
Before the night is gone
Don't turn away from me baby
No, no, no, no
Don't put me away, no
Don't walk away from me darling
I need your love, mmm
Ooh baby
I need your lovin' next to me
And I'm coming for you, baby
