

# Here Comes the Sun

**Steve Harley & Cockney Rebel**

Here comes the sun, here comes the sun  
And I say it's all right Little darling, it's been a long cold lonely winter  
Little darling, it feels like years since it's been here  
Here comes the sun, here comes the sun  
And I say it's all right Little darling, the smiles returning to the faces  
Little darling, it seems like years since it's been here  
Here comes the sun, here comes the sun  
And I say it's all right Sun, sun, sun, here it comes  
Sun, sun, sun, here it comes  
Sun, sun, sun, here it comes  
Sun, sun, sun, here it comes  
Little darling, I feel that ice is slowly melting  
Little darling, it seems like years since it's been clear  
Here comes the sun, here comes the sun  
And I say it's all right, it's all right
