

# Oh No

Abk

[Chorus] Oh no! Oh, oh oh oh no!  
Ain't nothin holdin me back now, holding me back now!  
Oh no! Oh, oh oh oh no!  
Ain't nothin holdin me back now, holding me back now!  
Oh no muthafucka, suck up that lip!  
Beause I'm back in this bitch and I'm ready to trip!  
So I hope u never doubted me, cause here I am  
Packed in ya eardrum, like a can of Spam  
And I wouldn't give a damn if u hated me now  
Because my family hears me out and bumps this shit out loud  
You can call us psycho, crazy, insane, with no one to blame  
So we just sit in the rain  
Waitin for the right day to get what we deserve  
Like respect from the cops on the curb at the concert  
Nice titties, my oh my, but when that tear gas fire  
You better close your eyes  
Every time a new adventure, punch a horse in the face  
Smoke a blunt blunt in the forest while you piss in the lake  
Situations fucked up, fun and foul  
But it's a whole new year so try and stop me now  
[Chorus] Oh no! Oh, oh oh oh no!  
Ain't nothin holdin me back now, holding me back now!  
Oh no! Oh, oh oh oh no!  
Ain't nothin holdin me back now, holding me back now!  
Do you believe in what you do?  
Don't stop, don't let no one hold you  
Back from what you really wanna do  
  
Besides in this life all you got is you  
Keep your mind clear (Keep your mind clear)  
Don't let go...go...go... So emotional  
Believe me...I know!!  
[Chorus] Oh no! Oh, oh oh oh no!  
Ain't nothin holdin me back now, holding me back now!  
Oh no! Oh, oh oh oh no!  
Ain't nothin holdin me back now, holding me back now!  
You can't hold me back, because I'm comin' full throttle  
Hand on my hatchet, who wanna see a head bobble?  
I see my streets, like it's a native warfield

And I'm the only red-skin left, standing with no shield  
So I started to chop cause I can't stop  
Its looking too peaceful up there on the top  
So I'm, doing everything that I must  
Even if I gotta bust on the ones I can't trust  
Ain't nothing hold me back!  
Ain't nothing stopping me from takin whats mine!  
(You Can't Stop Me! You Can't Stop Me! You Can't Stop Me!)  
Ain't nothing hold me back!  
Ain't nothing stopping me from takin whats mine!  
(You Can't Stop Me! You Can't Stop Me! You Can't Stop Me!)  
[Chorus repeats until end]Oh no! Oh, oh oh oh no!  
Ain't nothin holdin me back now, holding me back now!  
Oh no! Oh, oh oh oh no!  
Ain't nothin holdin me back now, holding me back now!
