

# My Favorite Mistake

Sitti

Oooh

Oooh

Oooh

Oooh I woke up and called this mornin'  
The tone of your voice was a warnin'  
That you don't care for me anymore I made up the bed we sleep in  
I looked at the clock when you creep in  
It's six a.m. and I'm alone Did you know when you go  
It's the perfect ending  
To the bad day I was just beginning  
When you go all I know is  
You're my favorite mistake Well, your friends are sorry for me  
They watch you pretend to adore me  
But I'm no fool to this game Now here comes your secret lover  
She'd be unlike any other  
Until your guilt goes up in flames Did you know when you go  
It's the perfect ending  
To the bad day I've got used to spendin'  
When you go all I know is  
You're my favorite mistake  
You're my favorite mistake Well maybe nothin' lasts forever  
Even when you stay together  
I don't need for ever after  
It's your laughter won't let me go  
So I'm holdin' on this way Did you know, could you tell  
You were the only one  
That I ever loved  
Now everything's so wrong Did you see me walkin' by  
Did it ever make you cry  
You're my favorite mistake  
You're my favorite mistake  
You're my favorite mistake
