# Blow

## â—•Kesha

DanceBack door cracked
We don't need a key
We get in for free
No VIP sleaze
Drink that Kool-Aid
Follow my lead
Now you're one of us
You're coming with me
It's time to kill the lights
And shut the DJ down
This place about to
Tonight we're taking over
No one's getting outThis place about to blow, blow
This place about to blow, blow
This place about to blow, blow
This place about to blow, blow
This place about toNow what?
What?
We're taking control
We get what we want
We do what you don't
Dirt and glitter cover the floor
We're pretty and sick
We're young and we're bored
It's time to lose your mind
And let the crazy out
This place about to
Tonight we're taking names
'Cause we don't mess aroundThis place about to blow, blow
This place about to blow, blow
This place about to blow, blow
This place about to blow, blow
This place about toGo insane, go insane
Throw some glitter
Make it rain on 'em
Let me see them hands
Let me, let me see the hands
Go insane, go insane
Throw some glitter

Make it rain on 'em
Let me see them hands
Let me, let me see them handsWe're taking over
(Blow)
Get use to it, okay
(Blow)This place about to blow, blow
This place about to blow, blow
This place about to blow, blow
This place about to blow, blow
This place about to blow
