

# Blow

â—•Kesha

DanceBack door cracked  
We don't need a key  
We get in for free  
No VIP sleaze  
Drink that Kool-Aid  
Follow my lead  
Now you're one of us  
You're coming with me  
It's time to kill the lights  
And shut the DJ down  
This place about to  
Tonight we're taking over  
No one's getting outThis place about to blow, blow  
This place about to blow, blow  
This place about to blow, blow  
This place about to blow, blow  
This place about toNow what?  
What?  
We're taking control  
We get what we want  
We do what you don't  
Dirt and glitter cover the floor  
We're pretty and sick  
We're young and we're bored  
It's time to lose your mind  
And let the crazy out  
This place about to  
Tonight we're taking names  
'Cause we don't mess aroundThis place about to blow, blow  
This place about to blow, blow  
This place about to blow, blow  
This place about to blow, blow  
This place about toGo insane, go insane  
Throw some glitter  
Make it rain on 'em  
Let me see them hands  
Let me, let me see the hands  
Go insane, go insane  
Throw some glitter

Make it rain on 'em  
Let me see them hands  
Let me, let me see them hands We're taking over  
(Blow)  
Get use to it, okay  
(Blow) This place about to blow, blow  
This place about to blow, blow  
This place about to blow, blow  
This place about to blow, blow  
This place about to blow
