

# Birds (Fritz Radio Concert iTunes Session)

Kate Nash

She was waiting at the station  
He was getting off the train  
He didn't have a ticket so he had to bum through the barriers again  
Well the ticket inspector saw him rushing through  
He said "girl you don't know how much I missed you but  
We'd better run 'cause' I haven't got the funds to pay this fine"  
She said "fine" Well so they ran out of the station and jumped onto a bus  
With two of yesterdays travel cards and two bottles of Bud  
And he said "you look well nice"  
Well she was wearing a skirt  
And he thought she looked nice  
And yeah, she didn't really care about anything else  
Because she only wanted him to think that she looked nice  
And he did But he was looking at her, yeah all funny in the eye  
She said "come on boy tell me what you're thinking  
Now don't be shy"  
He said alright, "I'll try  
All the stars up in the sky and the leaves in the trees  
All the broken bits that make you, each part and grassy bits in between  
All the matter in the world is how much I like you" She said "what?"  
He said "let me try and explain again" "Right, birds can fly so high, or they can shit on your head  
Yeah they can almost fly into your eye and make you feel so scared  
But when you look at them, and you see that they're beautiful  
That's how I feel about you  
Right birds can fly so high and they can shit on your head  
Yeah they can almost fly into your eye and make you feel so scared  
But when you look at them, and you see that they're beautiful  
That's how I feel about you  
Yeah that's how I feel about you" She said "what?"  
He said "you"  
She said "what are you talking about?"  
He said "you "Right birds can fly so high or they can shit on your head  
Yeah they can almost fly into your eye and make you feel so scared  
But when you look at them, and you see that they're beautiful  
That's how I feel about you  
Right birds can fly so high or they can shit on your head  
Yeah they can almost fly into your eye and make you feel well scared  
But when you look at them, and you see that they're beautiful  
That's how I feel about you

Right, that's how I feel about you  
She said "thanks, I like you too"  
He said "cool"
