Love Is Waiting

J D Martin

Ohh-oh, ohh-ahh
Yeah, ohh, uh-uh-uh-ah
Yeah yeah yeah
Now we're looking on and finding
Things are looking up
My life is moving on
Onto better than the love
'Cause I'm feelin' fine
And love is, love is hard to find
It's suddenly a game
And you won this heart of mine, yeah
I never believe it
After all that I've been through
So good to receive it
All alone that I found you
Love is waiting
(Love is waiting)
And this time I'm taking it all
(This time)
So amazing
(So amazing)
I don't need a reason to fall
(Uh, no no)
You know everyday you see it
Love is burning out
And I just have to say, yeah
That's the way it's turning now, yeah
Well, it's plain to see
Baby, what you do to me
What used to be a dream
Is now everything that's on me, yeah
I never believe it
After all that I've been through
So good to receive it
All alone that I found you
Love is waiting
(Love is waiting)
And this time I'm taking it all
(This time)

So amazing
(So amazing)
I don't need a reason to fall
(No no no)
Love is waiting
(Love is waiting)
And this time I'm taking it all
(This time)
So amazing
(So amazing)
I don't need a reason to fall
(Moving on)
Moving on, moving on baby
(Moving on)
Moving on, moving on
(Looking on)
Looking on, looking on baby
(Looking on)
Looking on, looking on
I never believe it
After all that I've been through
So good to receive it
All alone that I found you
Love is waiting
And this time I'm taking it all
So amazing
(So amazing)
I don't need a reason to fall
Love is waiting
(Love is waiting, yeah)
And this time I'm taking it all
(I'm taking it all)
So amazing
I don't need a reason to fall
(Yeah yeah)
Love is waiting
(Love is waiting)
And this time I'm taking it all
(This time)
So amazing
(This time)
I don't need a reason to fall
(Not this time)
Love is waiting
And this time I'm taking it all

(Yeah)
So amazing
I don't need a reason to fall
