

Sickening Art (Reborn In Blasphemy Demo 1991)

Dismember

Twisted thoughts in a shape of death
Blood is staining on my hands
Deranged mind, rotting soul
Homicidal need leads my way Warped lust, sickly obsessed
Prepare yourself for the end
Blood spurts from the wounds
As I hack my way through your skull Crunching bones, screams of pain
Violent death after hours of torture
Bloody corpse put away
A garden party on festering human remains Stewing limbs in the fridge Severe dismemberment
Psychotic extacy
Frenzied disembowelment
A end to your misery Piles of flesh
Is all that's left
Suffer now
A grotesque death
