

It's About Time

Young the Giant

All the kids are throwing sticks
Politics
Nights on the wire
Everybody wants to get by
'Ts a test of the times
A test of my rights
It's on pretty lady Born to be angry
Grip of the vice
Click on the trigger, girl
Sip wine on ice It's about time
Best to rewind
You better blow
Pistols, pistols, pistols Lights low
Go on baby go
It's a bad time
I'm on a tight rope Don't go oh go
It's about time, it's about time Everybody come on
Lights on the beaches
Everybody come on, delight Close the front door
I don't wanna go
Like I'm on the Truman Show Best to let go
You don't wanna know
You better blow Pistols, pistols, pistols
Lights low
Go on baby go
It's a bad time
I'm on a tight rope Don't go oh go!
It's about time, it's about All the years of paradise
Paradigms
Paralyze us
You're crazy All the cards you've organized
Shuffled twice in front of my eyes
Everybody has
Needs, wants, a cold gun Lights low
Go on baby go
It's a bad time
I'm on a tight rope Don't go oh go!
It's about time, it's about
Pistols, pistols
