It's About Time

Young the Giant

All the kids are throwing sticks

Politics

Nights on the wire

Everybody wants to get by

'Ts a test of the times

A test of my rights

It's on pretty ladyBorn to be angry

Grip of the vice

Click on the trigger, girl

Sip wine on iceIt's about time

Best to rewind

You better blow

Pistols, pistols, pistolsLights low

Go on baby go

It's a bad time

I'm on a tight ropeDon't go oh go

It's about time, it's about timeEverybody come on

Lights on the beaches

Everybody come on, delightClose the front door

I don't wanna go

Like I'm on the Truman ShowBest to let go

You don't wanna know

You better blowPistols, pistols, pistols

Lights low

Go on baby go

It's a bad time

I'm on a tight ropeDon't go oh go!

It's about time, it's about All the years of paradise

Paradigms

Paralyze us

You're crazyAll the cards you've organized

Shuffled twice in front of my eyes

Everybody has

Needs, wants, a cold gunLights low

Go on baby go

It's a bad time

I'm on a tight ropeDon't go oh go!

It's about time, it's about

Pistols, pistols
