Nothingness

Living Colour

Well like a descendant, I drifted far, far and wide
Isolation, separation, nowhere to hide
Maybe there's somewhere I can go
Where there's sunshine and the wind won't blow
Nothingness, all I have to feel is my loneliness
Nothing in the attic except an empty chest
And nothing lasts forever
Although there are many, I look for no one, no one but me
I search for things that are taking me high and far out of reach
But this is the place I call my home
I live with the lies and the fear all alone
Nothingness, all I have to feel is my loneliness
Nothing in the attic except an empty chest

And nothing lasts forever
Nothingness, all I have to feel is my loneliness
Nothing in the attic except an empty chest
And nothing lasts forever
Nothingness
Loneliness
Empty chest
And nothing lasts forever
Nothing lasts forever
Nothing lasts forever
Nothing lasts forever
Nothing lasts forever
