

# Feels Like (it Feels All Right)

## Collective Soul

It feels like a new regime  
All hail to the soul machine  
It feels like what I taste  
Always better than yesterday, alright  
It feels like sweet sixteen  
All sugar and nicotine  
It feels like ready to go  
I'm full throttle while the fluids flow  
I said, it feels like, it feels like  
It feels alright  
Yeah and it feels like, it feels like  
It feels alright  
It feels like a Sunday dress  
Stained with sin but always blessed  
It feels like the great escape  
I love you baby but life can't wait  
I said, it feels like, it feels like  
It feels alright  
Yeah and it feels like, it feels like  
It feels alright  
Yeah and it feels like, it feels like  
It feels alright  
Yeah and it feels like, it feels like  
It feels alright  
Alright  
And feels like what I like  
And feels like what I like  
And feels like what I like  
And feels like what I like  
Yeah and it feels like, it feels like  
It feels alright  
Yeah and it feels like, it feels like  
It feels alright  
Yeah, it feels like a new regime  
All hail to the soul machine  
It feels like the great escape  
I love you baby but I just can't wait  
I said, it's alright, it's alright  
It's alright, it's alright

It's alright, it's alright  
It's alright, it's alright
