Kid

Wake Owl

I'm hungry like the tide
You and I
Let's pick a fight
And I thought this was fun
Tell em like, like it's alive
But I want to be cured
We're never sure
Well look inside
And I was just a kid
With all my heart to give
What were you trying between (?)
And was it all that good
You're nowhere to be seen
Man, what else do ya need?
The river wants to drown
The fire burns
Now it's my turn
I'll keep some for myself
Is this well?
Or is it hell?
Shit I'm really scared
I think I'll fail
Why should I care?
And I was just a kid
With all my heart to give
What were you trying to do?
And once it all got good
You're nowhere to be seen
Man, what else do ya need?
