

# Little House Of Savages

## The Walkmen

Somebody's waiting for me at home  
Somebody's waiting for me at home  
I should've known  
I should've known  
And somebody's got a car outside  
somebody's got a car outside  
Let's take a ride  
Let's take a ride  
Somebody's waiting for me at home  
Somebody's waiting for me at home  
I should've known  
I should've known  
And somebody's got a car outside  
somebody's got a car outside  
Let's take a ride  
I know that it's late

But I don't want to go  
Somebody's waiting for me at home  
I should have known  
I should have known  
Cause you can run and have your fun  
But don't come around  
When she is so awake  
Better go run ohh  
As you can tell I am the parlor  
that's open tonight  
Come on in I gotcha tonight  
I should've chose  
I should've chose  
Cause you can run  
And have your fun  
But don't come around  
When she gets home
