

Rock My Heart (Extended Mix)

Haddaway

Celebrate
Celebrate vitality,
Free your mind
Do just what you want to.
You and I
Celebrate a special love,
That is why
I want to be with you Rock my heart
When we come together
We make it better
Every day.
Rock my heart
When we come together
We make it better
Every day. Celebrate
Let the music fill your soul
Take a ride
Yeah ride on the rhythm. Celebrate
We can make the world go round
You and I, you and I
