

Always A Woman

[Chantal Kreviazuk](#)

Words & music: billy joel** chantal often played this song while touring for under these rocks & stones. a hit in the late 70's for piano man billy joel, to whom she has often been compared, chantal sometimes modified the lyrics to "she's always a woman, like me." these lyrics are accurate to her live version. **She can kill with a

smile

She can wound with her eyes

And she can ruin your faith with her casual lies

And she only reveals what she wants you to see

She hides like a child

But she's always a woman like meShe can lead you to love

She can take you or leave you

And she can ask for the truth

But she'll never believe you

And she'll take what you give her as long as it's free

She steals like a thief

But she's always a woman to meOh, she takes care of herself

She can wait if she wants

She's ahead of her time

Oh, and she never gives out

And she never gives in

She just changes her mindShe will promise you more

Than the garden of eden

Then she'll carelessly cut you

And laugh while you're bleeding

But she'll bring out the best

And the worst you can be

Blame it all on yourself

'cause she's always a woman to meOh, she takes care of herself

She can wait if she wants

She's ahead of her time

Oh, and she never gives out

And she never gives in

She just changes her mindShe is frequently kind

And she's suddenly cruel

She can do as she pleases

She's nobody's fool

But she can't be convicted

She's earned her degree

The most she will do

Is throw shadows at you

But she's always a woman to meMmm, mmm, mmm mmm mmm, mmm
