

Talk Like a Pirate

The Never Land Pirate Band

(Spoken)

Can I talk like a Pirate?

Ha Har

Watch this Matey!(Singing)

Can you talk like a Pirate?

Says you, says I, I can.

I've been talking this way

Since me birthday began.

You can talk like a Pirate

C'mon and give it a try.

Avast, Ahoy, Aye Aye!

Avast, Ahoy, Aye Aye!(Spoken)

Very good, very good(Singing)

Call my friends "me hearties"

and call my pals "mateys."

Call them golden coins

"Dubloonies" if you please.

Call the deck of the ship

"The timber under me toes"

Lively now we go!

Lively now we go!

Ha Ha HarYo Ho!

Sallywags and Buccaneers away

Saying what I've got to say

But in a Pirate way.

Yar Har!

Shiver up me timbers and me bones

I talk like a Pirate.

Stomp Stomp

Yar!

I talk like a Pirate wherever I go.Fill me boots with Barnacles

Blow me down for a Squid.

Jumpin' Jellyfish mate

A Pirates life I live.

Strike me colours

if I don't talk in a Pirate way.

Anchors Away!

Anchors Away!Yo Ho!

Sallywags and Buccaneers away

Saying what I've got to say
But in a Pirate way.
Yar Har!
Shiver up me timbers and me bones
I talk like a Pirate.
Stomp Stomp
Yar!
I talk like a Pirate wherever I go.
Yo Ho! Scallywags and Buccaneers away
Saying what I've got to say
But in a Pirate way.
Yar Har!
Shiver up me timbers and me bones
I talk like a Pirate.
I talk like a Pirate!
Yar!
I talk like a Pirate wherever I go. (Spoken)
Har, that's some Pirate talkin' matey. Ha Har!
