Nine2five

The Ordinary Boys

I wake up late every morning
Managers calling I'm still yawning
Get up wake up hair and makeups
Waiting for you don't be stalling
This performance is important
I don't think I can put my all in
(Hold on I was drunk last night
Now its all kicking in and I don't feel right
Gave my number to a breh who wasn't my type
Now my phones on silent I'm being polite)
Now private callers get no love from me
Just let me be

Oh my gosh my days are getting longer and
There's no turning back 'cause I'm working da 9 to 5
To keep my contract did I say 9 I meant one thirty
I'm no early birdy I'm working da nine to five

(So you gotta...do...sum...ite... for...channel...u
Channel who sorry who I'm altered for snooze
Oh! Channel you da ones dat made me huge
Like Katie Prices boobs
Whoops I'm being rude
Where's my red bull and my sandwich I need food
I can't handle this
I'm getting like pampers throwing a tantrum
"Action"
Nah Id actually rather catch my z's and count sheep in my sleep
Lets not wake her up actually looks quite sweet)

Oh my Gosh my days are getting longer
And there's no turning back 'cause I'm working a 9 to 5
To keep my contract did I say nine I meant one thirty
I'm no early birdy I'm working da nine to five

I'm not sure what day just started
Since my working week departed
Ever since our single charted
This pursuit's been everlasting
I clocked in about a year ago

And I haven't clocked out from the studio
Videos and tv shows
Staring out the window on the road
Now there's sometimes we don't get faithful
Those rampages on those stages
I know that I won't get jaded
I won't go back to my minimum wages

Oh my Gosh my days are getting longer
And there's no turning back 'cause I'm working da 9 to 5
To keep my contract did I say nine I meant one thirty
I'm no early birdy I'm working da nine to five

Oh my gosh my days are getting longer and
There's no turning back 'cause I'm working da 9 to 5
To keep my contract did I say 9 I meant one thirty
I'm no early birdy I'm working da nine to five
