

Can't Believe

Aaron Lewis

Monday morning brings the sunrise
A welcome sight a sight for sore eyes
I owe my answers now to no one
Flying high and anchor free
A mirror image passes me
If I had only taken one chance
Stepped up on the stage for all to see
And I can't believe I waited for tomorrow
And I can't believe I'm back here once again so naive
And the broken white lines lead back to zero
Here I am once again and again I can't believe
Am I fine or am I crazy
It's all in who you'd ask and what they'd say
I owe my answers now to no one
Flying high and anchor free
A mirror image passes me
If I had only taken one chance
Stepped up on the stage for all to see
And I can't believe I waited for tomorrow
I can't believe I'm back here once again so naive
And the broken white lines lead back to zero
Here I am once again and again I can't believe
And I can't believe I waited for tomorrow
I can't believe I'm back here once again so naive
And the broken white lines lead back to zero
Here I am once again and again and again
I can't believe I waited for tomorrow
I can't believe I'm back here once again so naive
And the broken white lines lead back to zero
Here I am once again and again I can't believe
