Over the World

Mario Biondi

And the world and your place
I'm on a spaceship high above in outer space
Mhhmm
The stars from afar
We are in peril getting straight to the heavens above
We're stargazers on the planet of loveOver the world (too high), you and me
Lift your head up to the stars
Oh oh oh, oh oh oh, lift it up
Oh oh oh ohooh oh oh
Over the world (two stars) we can be
Raise your hands up to the stars
Oh oh oh, oh oh oh, superstars
Oh oh oh ohooh oh oh
Pararara... pa pa pa...A new life, a new dream, a new consolation where
Love is supreme
So supreme
I'm yours (I'm yours) you're mine (you're mine)
The stars collide and we just fall in love
(A cosmic journey on the wings of an angel dust)Over the world (too high), you and me
Lift your head up to the stars
Oh oh oh, oh oh oh, lift it up
Oh oh oh ohooh oh oh
Over the world (two stars) we can be
Raise your hands up to the stars
Oh oh oh, oh oh oh, superstars
Oh oh oh ohooh oh ohPararara... pa pa pa...
Over the world (too high), you and me
Lift your head up to the stars
Oh oh oh, oh oh oh, lift it up
Oh oh oh ohooh oh oh
Over the world (two stars) we can be
Raise your hands up to the stars
Oh oh oh, oh oh oh, superstars
Oh oh oh ohooh oh ohOver the world (too high), you and me
Lift your head up to the stars
Oh oh oh, oh oh oh, superstars
Oh oh oh ohooh oh ohPararara... pa pa pa...
