

Dancing With the Midnight Sun

Midnattsol

You have to climb the top
go on, don't give up
it never seems to endIt's controlling me
this ain't what I want to be
save me from this messTo dance all the night in the midnight sun
that is my dream
the drops lick my skin
I dance with the wind
it blows me awaydo ser hu som danse i skogen
me lette skritt
me lokkane ÆfÆ, yne
hu strekke you'd hÆfÆnnÆfÆ
men do nÆfÆr an ikjedo ser hu
hu strekke you'd hÆfÆnnÆfÆ
men do nÆfÆr an ikje
ÆfÆ dansa i midnattsol
de e min drÆfÆ, mTo dance all the night in the midnight sun
that is my dream
the drops lick my skin
I dance with the wind
it blows me away
