

# The Kid With the Butterfly Net

Graham Parker

Pre>intro: (fiddle over) g / c / d / d (twice)G c g c g

She walks through the field, walks in the heat through the field

G c g c d

She swings with her arm, but can what she catches be real

Em c em c

And when you look into her eyes, you see what you want

C bm c bm c d

When everything was undone, every field was open nothing was impossible yet

G bm c g c g

For the kid with the butterfly net the kid with the butterfly net. (intro once)There's a stream runs through this

land runs through the heart of this land

There's a heart beats in this home beats in the heart of this home

And when you see her by the water you see what you want to

And all the chains around you cannot keep you prisoner they haven't been made yet

For the kid with the butterfly net the kid with the butterfly net. (intro)Bridge

Em c em c

And when you close your eyes you don't see a thing

Em c c d

You just remember that you were meant to have wings

G bm c g c g

For the kid with the butterfly net the kid with the butterfly net.
