

# Waiting For The News

## Midtown

I'm still waiting for the news dad  
That she's gone and never coming back  
I can't go on  
Because the strength I had is gone  
And I find it hard to get out of bed Oh yeah don't you know it's true son  
You can never know someone  
Even though we sleep together  
We're alone  
And I find it hard to get out of bed And we operate  
But I still feel alone  
And I can't complain  
'Cause she's beautiful  
Yes, we all have made mistakes Even though we sleep together  
We're alone  
Yes, we've all made mistakes  
Even though we sleep together  
We're alone  
And I find it hard to get out of bed
