

19 Naughty III

Naughty By Nature

These four lonely walls have changed the way I feel
The way I feel, I'm standing still
And nothing else matters now, you're not here
So where are you? This empty room is missing you Where else can I go? Where else can I go?
Chasing you, chasing you
Memories turn to dust, please don't bury us
I got you, I got you Runnin', runnin', runnin', runnin'
Runnin', runnin', runnin'
Ain't runnin' from myself no more
Together we'll win it all
I ain't runnin', runnin', runnin', runnin'
Runnin', runnin', runnin'
Ain't runnin' from myself no more
We'll face it all
If I lose myself, I lose it all I fell from the fear that chased me standing still
I'm running still, I'm running still
And every voice that cries inside my head, forever drives
Forever drives, into lights Where else can I go? Where else can I go?
Chasing you, chasing you
Runnin', runnin', runnin', runnin'
Runnin', runnin', runnin'
Ain't runnin' from myself no more
Together we'll win it all
I ain't runnin', runnin', runnin', runnin'
Runnin', runnin', runnin'
Ain't runnin' from myself no more
We'll face it all
If I lose myself, I lose it all
If I, if I lose myself, I lose it all
If I lose myself, I lose it all
If I lose myself, I lose it all
