

Easy

Granger Smith

Iâ€™m over the top, I say what I think,
I get out of head with too many drinks
I hate to be wrong when I know that I am
I need to be strong when sometimes I canâ€™t.
And just when I think Iâ€™m complicating things

[Chorus]

She makes it so easy,
She means it when she talks about love
It means so completely
She knows just who I am.
Iâ€™m the sinner, sheâ€™s grace,
Iâ€™m leather, sheâ€™s lace,
We fit perfectly
She makes it so easy
To be me.

Iâ€™m strong in the head, a dreamer in heart,
I donâ€™t finish everything that I start,
Iâ€™m easily mad, quick to the draw,
Slow to give in when itâ€™s all my fault.
But sheâ€™s on my side through all my stubborn pride.

[Chorus]

To be me.

Itâ€™s hard enough to give your heart to someone
Itâ€™s hard enough to get back the same.
Itâ€™s hard enough to find your own angel
Itâ€™s hard enough to make her stay.

[Chorus]
