

# Call Me up (Instrumental)

**Patrick Baker**

call me up were in here all alone  
to weight it in with  
aching in your bones  
call me up baby no else has to know  
tonight  
everything about what could have been  
we can give a warmer chance again  
if im running through your mind  
then let me know  
baby call me up  
call me up  
baby call me up  
call me up  
call me up were in here all alone  
to weight it in with an  
aching in your bones  
call me up baby,  
no one else has to know  
tonight  
everything about what could've been  
we can give a warmer chance again  
if im running through your mind  
then let me know  
baby call me up  
call me up  
baby call me up  
call me up  
call me up were in all alone  
to weight it in with  
aching in your bones  
if im running through you mind  
then let me know
