

All In My Head

[NKOTBSB](#)

Maybe it's just me but I don't think that it is
Possible for me to continue like this, oh
I feel so insecure every time you walk away
And I'm never really sure how long you gonna stay Maybe it's all in my head
Feel like leaving but I don't really want to
But I feel so mislead
A kiss through the phone just won't do, no 'Cause from my point of view
I gotta say
There's something about you
So tell me, babe 'Cause somewhere down the road
I think you lost it all
Now it's all in my head, all in my head
All in my head, all in my head You know it's not my style
To start a fight and make a scene
But it's different this time
I am not a drama fiend, no Baby, it's just me, this is how a feel
This can't simply be 'nother case of jealousy
No, no Maybe it's all in my head
Feel like leaving but I don't really want to
But I feel so mislead
A kiss through the phone just won't do, no 'Cause from my point of view
I gotta say
There's something about you
So tell me, babe 'Cause somewhere down the road
I think you lost it all
Now it's all in my head, all in my head
All in my head, all in my head I mean we can talk it out
Pretend that it's alright
But alright just won't do anymore, no I mean we can kiss and make up
Pretend that it's enough
But enough just won't do anymore Maybe it's all in my head
Feel like leaving but I don't really want to
But I feel so mislead
A kiss through the phone just won't do Maybe it's all in my head
Feel like leaving but I don't really want to
But I feel so mislead
A kiss through the phone just won't do, no 'Cause from my point of view
I gotta say
There's something about you

So tell me, babe 'Cause somewhere down the road
I think you lost it all
Now it's all in my head, all in my head
All in my head, all in my head It's all in my head
