

Beat City

The Bottlecaps

Want to die in beat city and run, run, run
Want to hang with girls and shoot my gun
Want to catch the rays off the sun
Want to drink and drive and have some fun

Want to die in beat city and go, go, go
You can't come with me cause you're just too slow
Inject the stars make them glow
Put up a fight and put on a show

Want to die in beat city
Want to die in beat city
Want to die in beat city
Want to die in beat city
