

Rise

I Prevail

[Intro]

You gotta fight through the pain, to get to the top,
You gotta push through it all, if itÃ¢â€Œ™s what you want.
Screaming "This is a call to the dreamers",
Dig a little deeper, make Ã¢â€Œ™em believers.[Verse 1]
R, I, S, E,
LetÃ¢â€Œ™s light a match and ignite the streets, screaming
R, I, O, T,
But now itÃ¢â€Œ™s time to give Ã¢â€Œ™em something to say.
So dig a little bit, never quit, keep on that hustle,
Get up and take another hit, hold on through the struggle, screaming
R, I, S, E,
LetÃ¢â€Œ™s light a match and ignite the streets,
LetÃ¢â€Œ™s light Ã¢â€Œ™em up, light Ã¢â€Œ™em up![Chorus]
You gotta fight through the pain, to get to the top,
You gotta push through it all, if itÃ¢â€Œ™s what you want.
Screaming "This is a call to the dreamers",
Dig a little deeper, make Ã¢â€Œ™em believers.
You gotta fight through the pain, to get to the top,
You gotta push through it all, if itÃ¢â€Œ™s what you want.
Screaming "This is a call to the dreamers",
Dig a little deeper, make Ã¢â€Œ™em believers.
Dig a little deeper, make Ã¢â€Œ™em believers.[Bridge]
The road is long, but itÃ¢â€Œ™s the one to take,
You gotta put in the work, itÃ¢â€Œ™s time to make or break!
Though the road is long, itÃ¢â€Œ™s the one to take,
You gotta put in the work, itÃ¢â€Œ™s time to make or break![Chorus]
You gotta fight through the pain, to get to the top,
You gotta push through it all, if itÃ¢â€Œ™s what you want.
Screaming "This is a call to the dreamers",
Dig a little deeper, make Ã¢â€Œ™em believers.
You gotta fight through the pain, to get to the top,
You gotta push through it all, if itÃ¢â€Œ™s what you want.
Screaming "This is a call to the dreamers",
Dig a little deeper, make Ã¢â€Œ™em believers.[Hook]
Make them believe,
Write down your name in history, you gotta
Make them believe,
One day theyÃ¢â€Œ™ll remember me!

You gotta stand up tall, give 'em something to say,
With you back against the wall, be somebody to hate.

Make them believe,

Write down your name in history! [Bridge]

You gotta fight through the pain, to get to the top,
You gotta push through it all, if it's what you want.

Screaming "This is a call to the dreamers",

Dig a little deeper, make 'em believers.

You gotta fight through the pain, to get to the top,
You gotta push through it all, if it's what you want.

Screaming "This is a call to the dreamers",

Dig a little deeper, make 'em believers. [Outro]

Make them believe,

Dig a little deeper, make 'em believers.

"This is a call to the dreamers"

Dig a little deeper, make 'em believers.
