

# Lost In This Moment

**Keith Anderson**

I see your momma and the candles and the tears and roses  
I see your daddy walk his daughter down the isle  
I feel my knees start to tremble as I tell the preacher  
Dont she look beautiful tonightAll the wonderful words in my head Ive been thinking  
You know I wanna say em all just right  
I lift your veil and angels start singing  
Such a heavenly sign, yeahLost in this moment with you  
I am completely consumed  
My feeling's so absolute  
Theres no doubtSealing our love with a kiss  
Waited my whole life for this  
Watching all my dreams come true  
Lost in this moment with youI smell the jasmine floating through the air like a love song  
Watch my words draw sweet tears from your eyes  
Bow our heads as the preacher talks to Jesus  
Please bless this brand new life, yeahLost in this moment with you  
I am completely consumed  
My feeling's so absolute  
Theres no doubtSealing our love with a kiss  
Waited my whole life for this  
Watching all my dreams come true  
Lost in this moment with you, yeahLost in this moment with you  
I am completely consumed  
My feeling's so absolute  
Theres no doubtSealing our love with a kiss  
Waited my whole life for this  
Watching all my dreams come true  
Lost in this moment with youLost in this moment with you  
I am completely consumed  
My feeling's so absolute  
Theres no doubtLost in this moment with you  
I am completely consumed  
My feeling's so absolute  
Lost in this moment with youLost in this moment with you  
I am completely consumed  
My feeling's so absolute  
Lost in this moment with youLost in this moment with you  
I am completely consumed  
My feeling's so absolute
