

New Weave

Ts Madison

You know when you look'n gorgeous

Making haters fall back like august

I'm supreme!

No time to be modest

If you feel like a goddess, shut your goddess

I plant seeds like a botanist

22 inches new hotness

In gi von chic im like the lochness, won't get me but they know that I got this
And I give zero fucks cuz I look
like a million bucks,

Cuz I look like a million bucks,

I look like a million bucks

And I give zero fucks cuz I look like a million bucks

I look like a million bucks,

I look like a million

Cuz I got a new weave
