

Nobody Else (remix)

Tyrese

Now as I look around, what do I see
Everybody want to try to get to know me
Its my prerogative to do what I wanna do
And I couldn't see myself babe with no one but you I don't want nobody else but you
'Cause no one makes me feel the way that you do
I don't want nobody else but you
'Cause no one makes me feel the way that you do Now I see you just can't handle, handle my lifestyle
You say I'm too damn crazy, you say I'm too damn wild
You gotta understand this is just the way I live
Baby what you see is exactly what you get I don't want nobody else but you
'Cause no one makes me feel the way that you do
I don't want nobody else but you
'Cause no one makes me feel the way that you do
I don't want nobody else but you
'Cause no one makes me feel the way that you do
I don't want nobody else but you
'Cause no one makes me feel the way that you do I know the situations shady you have to understand
And know that I'm the man, babe
I feel you're 'bout to drive me crazy
You're actin' insecure when all I want is you Well uh, you can take my word like in God we trust
Baby girl they only want me 'cause I'm on the bus
I don't want no crew, I just want you
Solo, stereo-types, I'm from Watts
So I'm ghetto, no more games and drama
If you live by the nanna, you die by the nanna
Nobody know how far we'll go
But I do, I don't want nobody but you I don't want nobody else but you
'Cause no one makes me feel the way that you do
I don't want nobody else but you
'Cause no one makes me feel the way that you do
I don't want nobody else but you
'Cause no one makes me feel the way that you do
