

# How Will I Know?

Keke Palmer

"How Will I Know"[Verse 1:]

I know there is something that I'm feeling

But I can't quite put it into words

It's got me hopin hopin that you feelin it too

Cause for me it's a first

Does anyone truly understand what real love is about

Don't say I'm too young to know what's real

My heart skips a beat

I can hardly breathe

Every time that he comes near It's so amazing almost crazy how

I'm thinkin bout you lately

Tell me how in the world did it come to this

It took me by surprise

When you opened my eyes

To hopefully show me what love is [Chorus:]

How will I know

Could it be the butterflies I feel whenever I'm with you

How will I know

Or the way I'm at a loss of words I can hardly keep my cool

How will I know

Everyday now stop stop stop I keep thinkin bout you

How will I know I'm in love How will I know

Could it be the butterflies I feel whenever I'm with you

How will I know

Or the way I'm at a loss of words I can hardly keep my cool

How will I know

Everyday now stop stop stop I keep thinkin bout you

How will I know I'm in love Somebody tell me

Will I ever know

Somebody tell me

Will I ever know [Verse 2:]

If it ain't love

Then tell me why am I always searching for excuses to call

And if it ain't love

Then tell me why am I always hopin' to see him in the halls

And if it ain't love

Somebody tell me why I lie awake at night starin' at the walls And if this isn't love

Then I don't really need it cause I'm happy here with no love at all It's so amazing almost crazy how

I'm thinkin bout you baby

Still I don't really know if this is real  
 I want you so much more  
 But I'm unsure if this is true love  
 That I feel[Chorus:]  
 How will I know  
 Could it be the butterflies I feel whenever I'm with you  
 How will I know  
 Or the way I'm at a loss of words I can hardly keep my cool  
 How will I know  
 Everyday now stop stop stop (everyday, all day)  
 I keep thinkin bout you  
 How will I know I'm in loveHow will I know  
 Could it be the butterflies I feel whenever I'm with you  
 How will I know  
 Or the way I'm at a loss of words I can hardly keep my cool  
 How will I know  
 Everyday now stop stop stop I keep thinkin bout you  
 How will I know I'm in loveHow will I know (yeah)  
 How will I know  
 Could it be the butterflies I feel whenever I'm with you  
 How will I know  
 Or the way I'm at a loss of words I can hardly keep my cool  
 How will I know  
 Everyday now stop stop stop (everyday, all day)  
 I keep thinkin bout you  
 How will I know I'm in love (How will I know I'm in love)How will I know  
 Could it be the butterflies I feel whenever I'm with you  
 How will I know  
 Or the way I'm at a loss of words I can hardly keep my cool  
 How will I know  
 Everyday now stop stop stop I keep thinkin bout you  
 How will I know I'm in loveHow will I know  
 Could it be the butterflies I feel whenever I'm with you  
 How will I know  
 Or the way I'm at a loss of words I can hardly keep my cool  
 How will I know  
 Everyday now stop stop stop I keep thinkin bout you  
 How will I know I'm in love
