

Bliss

John Legend

Ooh baby, the day you stepped into my world
You noticed I'm the kind of girl who loves her diamonds and white pearls
So tempt me to jet set away in London
To sip on some tea, you surprise me with gifts from Tiffany
Ooh (La la la la la la la la)
I love the way we livin' boy
But my daddy say, "You don't need that boy"
So let's run away, let's run away (way, way)
Momma say I'm too young for love
And lovin' you is all I'm thinkin' of
My heart tells me that you're the one
It's the feeling you give, it is Pure bliss
Like you've got the key to my heart
Simple as a touch and a kiss
Never knew a feeling like this
Pure bliss, pure bliss
Nobody can tear us apart
Baby it's as good as it gets (Kiss kiss kiss kiss)
Loving you will never be hard
This is pure bliss I remember, when the pilot closed the door
Said it's time for lift off, you said, "What'd you choose me for?"
Don't ever wonder
'Cause you deserve the best
Once you reach the top you'll never question why you left
My world is yours
What you waitin' for?
Let's run away
Let's run away
Our friends, say we're crazy
But we can't listen baby
They've never had it like this
They don't know what it is Pure bliss
Like you've got the key to my heart
Simple as a touch and a kiss
Never knew a feeling like this
Pure bliss, pure bliss
Nobody can tear us apart
Baby it's as good as it gets (Kiss kiss kiss kiss)
Loving you will never be hard

This is pure bliss
