

# One Day of Your Life

Andy Williams

One day of your life  
Is all I'm asking you  
Just give me  
One day of your life  
And let me share your world  
If you give me one little moment  
I will make this moment last  
I'll live the future  
With the past  
One day of your life  
Can't mean that much to you  
It's only one day of your life  
But it would see me through  
If I can't have you forever  
If I can't have things my way  
I'll be content with just one day  
If I must build  
A world of fantasy  
Please let me build it  
With a memory  
One day of your life  
Is all I'm asking you  
Just give me  
One day of your life  
And let me share your world  
If I can't have you forever  
If I can't have things my way  
I'll be content with just one day  
One day of your life  
Oh, oh, oh, oh  
One day of your life  
It's only one day of your life
