

Electric Head, Pt. 1 (The Agony)

White Zombie

Advisory - the following lyrics contain explicit language:

We all go down for the sacrificial moment
Crucifixion nails stain the bed of the holy
Space thing blues diamond studded, sugar coated
Well, I am hell a miracle overloading Turn me on, yeah
A electric head all over
Turn me on, yeah
A electric head all over We all go down for the God of the moment
Super demon seed running wild and below
And head trip news turn a trick to the flow
And sugar land express what you know And get inside get in there
Well evil in your eyes baby I don't care
Get inside get in there
Well see the flesh falling everywhere Turn me on, yeah
A electric head all over
Turn me on, yeah
A electric head all over We all go down for a piece of the moment
Watch another burn to the death to the core
And the roadshow thrills, packs the freaks and the phonies
Sing now is now, yeah all I ever wanted Turn me on, yeah
A electric head all over
Turn me on, yeah
A electric head all over Turn me on, yeah
A electric head all over
Turn me on, yeah
A electric head all over
